PROFESSIONAL EXPERIENCE

2008 – 2012 NuStar Energy LP Yankton, SD
Welder Apprentice/Welder I

- Performed vital pipeline/terminal asset repairs and maintenance activities throughout the Midwest, to include shop and field welding. Passed all required standards and mastered written welding procedures at an accelerated pace; hired permanently for the Welder I position after successful completion of apprenticeship.
- Gained expertise in reading blueprints and proper use of current techniques, equipment, and power/hand tools to include MAG, TIG, SMAW, plasma drill, grinder, hammer, etc. Duties included wrapping/coating pipe; pigging; and maintaining mainline pumping units, buried pipe, and terminals and their support systems.
- Made safety a top priority; followed all protocol in accordance with hot work permit procedures. Used keen attention-to-detail skills to spot and correct over half dozen potentially hazardous incidents.
- Maintained a flexible schedule with extensive local and regional travel; awarded and received bonuses for perfect attendance and overtime commitment. Logged over 8,100 hours and completed over 180 successful projects/assignments in 4 years.

2007 – 2008 McDonald's Sioux Falls, SD
Crew Member

- Served as a crucial team player in front-end operations of a busy restaurant averaging over 1,100 customers daily, to include assisting customers with menu/specials, placing orders, handling cash register transactions, and assisting other crew members.
- Recommended for assistant manager program in just 7 months after start of employment.
- Functioned as part of a team that averaged fulfilling customer orders in 2:33 minutes; below corporate average of 3 minutes.
